Tesla Energy Plan: terms & conditions

These terms should be read in conjunction with the standard Energy Locals Market Terms & Conditions.

- (a) You acknowledge and agree that on each day during this Agreement you must:
- i. have authority and capacity to enter into this Agreement;
 - ii. not be participating in another virtual power plant program;
 - iii. have a System¹ that does not have network supply voltages that exceed AS/NZS4777.2 inverter operating limits; own or have the right to use the System;
 - iv. own or occupy the premises at which the System is installed, or if you are not the owner, you have obtained written consent from the owner in relation to the entry into and performance of this Agreement;
 - v. have all necessary approvals, consents or authorities from any owner, residents, owner's corporation or local authorities;
 - vi. ensure the System is properly functioning and maintained and that you are connected to the internet (ideally through wifi or an ethernet connection) on a continuous basis;
 - vii. have a smart meter installed (either before or on entering this Agreement), and if required bear the cost of any additional electrical works necessary to make the property compliant;
 - viii. comply with all Rules in relation to the premises at which the System is installed and the System;
 - ix. allow Tesla² to control the System and its back up functionality. Tesla will lock back up functionality at 20% on enrolment, after which the customer can request back up functionality to be set lower; and
 - x. cooperate with Tesla in relation to and allow Tesla to install software upgrades.
- (b) You must not, and must not allow, any other person to (unless otherwise authorised in writing by us or by Tesla):
- i. control, move, remove, tamper with, disable, displace or damage any System (including disconnecting its internet connectivity); or
 - ii. provide you with any services similar to or the same as the services under this Agreement in relation to the System.
- (c) References in the standard terms and conditions to Rules in Victoria only apply to the extent such Rules bind you or are applicable to our services or the System

¹ System means the solar PV, Powerwall 2 and smart meter systems operating individually, or aggregated as the context requires

² Tesla refers to Tesla Motors Australia, Pty Ltd (TMA); (ABN 68 142 889 816)
